SALARY: 4 - 8 LPA (EXPECTED)

EXPERIENCE: FRESHERS/ EXPERIENCED

LOCATION: INDIA

TCS is hiring for the position of Power BI Developer in Bengaluru, India. Candidates with a Bachelor's/ Master's Degree are eligible to apply for this position. The complete information, eligibility criteria, and requirements are provided below.

Key Responsibilities:

Customer-Centric Responsibilities:

- Collaborate closely with client teams to understand project requirements and translate them into effective technical designs.
- Ensure a customer-focused approach by aligning technical solutions with business needs.
- Experience working in Scrum environments or within Agile Scrum teams.

Internal Collaboration:

- Support project teams by guiding the end-to-end project lifecycle and resolving technical queries.
- Work with key stakeholders, including Executive, Product, Data, and Design teams, to address data-related technical challenges and support their data needs.

Eligibility Criteria:

- Extensive hands-on experience in developing intuitive visualizations, dashboards, KPI scorecards, charts, and graphs using Power BI.
- Proficiency in writing complex DAX queries and using M Query.
- Strong knowledge and expertise in data modeling within Power BI.
- Experience in connecting multiple data sources, publishing and scheduling reports, and integrating Power BI reports with various applications.
- Expertise in managing user access, implementing row-level security, and understanding the security layers within Power BI.
- Experience with ETL/ELT processes and data load management.
- Strong data modeling skills.
