

LSEG

LSEG is hiring for the position of Business Analyst in Bangalore, India. Candidates with Bachelor's Degree are eligible to apply for this position. The complete information, eligibility criteria, and requirements are provided below.

Job Description:

Company Name	LSEG
Position	Business Analyst
Qualification	Bachelor's/ Master's Degree
Batch	2020/ 2021/ 2020/ 2023/ 2024/ 2025
Experience	Freshers/ Experienced
Location	Bangalore, India (Hybrid)

Key Responsibilities:

- Serve as the primary point of contact with Product Owners to elicit, analyze, and validate complex business requirements for software development.
- Manage and control changes from Product Owners that may impact the business case.
- Document and translate business requirements into detailed user stories, including supporting diagrams, acceptance criteria, and rationales for UX and development teams.
- Act as a proxy for Product Owners, serving as the key contact for development teams to address requirement-related queries.
- Maintain a high-quality backlog of user stories through regular backlog grooming activities.
- Contribute to the prioritization of the backlog to ensure development teams focus on the most critical tasks in the right sequence.
- Take on the role of Scrum Master, facilitating Agile processes and ensuring smooth execution of development workflows.
- Ensure accountability for the quality of work, delivering within established procedures and agreed timeframes.
- Develop expertise in Anti-Money Laundering (AML) and Know Your Customer (KYC) processes, or enhance existing knowledge in these areas.
- Continuously evaluate current workflows and suggest improvements to enhance efficiency and effectiveness.

Eligibility Criteria:

- Hands-on experience with Scrum/Agile methodology, including writing user stories and acceptance criteria using Behavioral Driven Development (BDD).
- Proven business analysis experience within a global organization.
- Strong ability to capture, document, and effectively represent business requirements.
- Excellent communication skills with the ability to influence and negotiate effectively.
- Strong presentation and facilitation skills.
- Exceptional problem-solving, analytical, research, and process mapping abilities.
- Proficiency in both technical and non-technical writing.
- Customer-focused mindset, committed to meeting expectations and delivering value.

About Company:

LSEG (London Stock Exchange Group) is a diversified international markets infrastructure business —earning our clients' trust for over 300 years. That legacy of customer-focused excellence ensures that you can rely on our expertise in capital formation, intellectual property and risk and balance sheet management. As global leaders in financial indexing, benchmarking and analytic services, we offer unrivalled access to international capital markets. Our high-performance technology solutions enable companies worldwide to access funds for growth and development. And with our Data & Analytics, Capital Markets and Post Trade divisions, we provide a comprehensive, integrated suite of trusted financial market infrastructure services that help our customers pursue – and achieve – their ambitions.
